We welcome transfer students and offer personalized advising to ensure timely degree completion.

Students will complete an undergraduate degree in a discipline and then complete the MAE to learn how to teach their specialization area. The MAE takes at least one year to complete.

Benefits of getting your initial certification at the graduate level...

- More opportunity for classroom experience
- Solid foundation in your discipline and the liberal arts
- Additional time to focus on learning how to teach
- Enter workforce with a more competitive degree
- Teachers with master's degrees are paid a larger salary than those with only an undergraduate degree.

95% employment rate within 6 months of graduation.

Truman offers qualifying undergraduates direct admission to our Master of Elementary Education and Master of Special Education programs.
